Dear candidate,

We have assigned the first round of online assessment to all the students. They can take the test on 12/10/2022 between 10 AM - 12 PM.

Since all of them have previously taken the test for other companies on the same portal, they will not receive any email. Pls ask them to log in to <https://progradx.facecampus.org/> using the same credentials they used the last time. In case anyone does not remember the credentials, they can use the 'Forgot password option'.
